

Waste Hauler - Quarterly Report

As a condition of receiving, renewing and maintaining a scavenger license to collect recyclable material from multi-family properties within the village, licensed private scavengers shall submit quarterly reports to both the multi-family property owners or their designee and the village and/or its designee that contain information listed below. (Ordinance 00-121)

Please select the quarter for which you are reporting:

- ☐ 1st Quarter - Jan 1 to March 31
- ☐ 2nd Quarter - April 1 to June 30
- ☐ 3rd Quarter - July 1 to September 30
- ☐ 4th Quarter - October 1 to December 31

A. Waste Hauler Name:

B. Total weight or volume of refuse collected from multi-family properties:

C. Total weight or volume of yard waste from multi-family properties:

D. Total weight or volume of recyclable materials collected from multi-family properties:

E. Please submit to the village a list of multi-family properties it serves within the Village's jurisdiction.

F. Please submit a summary of recycling services provided to each multi-family property.

Note:

Quarterly reports submitted to the multi-family property by the licensed private scavenger shall only pertain to that property's activity.

Quarterly reports submitted to the village shall contain aggregate totals concerning the information listed above for all multi-family properties the licensed private scavenger serves within the village's jurisdiction.

Due 15 days after quarter has ended.
